To Whom It May Concern,

My name is Tonantzin Dominguez, recipient of the 2008 Make a Difference Award, and I will be starting college this 2008 fall at Florida Gulf Coast University, majoring in psychology. I would like to thank you for the recognition that you gave me for my dedication and service to my community. Your award has given me the moral support that helps me achieve one more step towards my future career. My parents would also like to thank you for helping me financially so that I can complete a college education. Hopefully in the future I can help students just like the Associates and Bruce L. Scheiner does. Thank you.

Sincerely,

Tonantzin Dominguez
